EXPERIENCE

Westminster College, Salt Lake City — *Quantitative Analysis and Research Assistant*

August 2020 – Present

Teachers assistant and tutor for Data Science classes on campus. I web scrape and do research on data sets for potential data sets to include in our data science courses. I also conduct surveys and analyze them when my boss needs a campus wide survey to be done.

Smiths, Salt Lake City — *Produce Clerk/Cashier*

February 2020 – Present

I was originally a cashier and then got moved to produce but sometimes still help out the front end. As a cashier, I check people out while keeping a conversation in a fast paced environment. I also assist at self checkout when they need assistance. As the lead of the closing produce clerks, I have to constantly keep my produce department well stocked for the after work rush, I then have to clean up the produce sales floor to prepare for our daily shipment of produce. At which, I unload the freight trucks and unpack all the pallets before I leave for the day.

WorldWide Golf Shops — Sales Associate

February 2018 – March 2020

As a part time sales associate, responsible for greeting customers, answering questions and ensuring patrons enjoy their shopping experience by providing quality customer service. Demonstrate a positive attitude while working in a fast – paced environment and educating customers about different types of golf products and apparel. Process purchase transactions and perform closing duties.

Webvisable, Costa Mesa — *Intern*

January 2017 – August 2017

Assisted in creating websites and in SEO's for these websites. Communicated with clients to generate ideas to increase the site rank on a search engine results page. Reindex websites on Google to improve the client's web site visibility.
